

## ◆ ASSASSINATE ◆

1. Have an Agent present in the same City Space as another player's Agent. **Unless stated otherwise, Revenant Agents cannot be assassinated.**
2. Play a card from the corresponding Agent if they have  OR play a card that allows any Agent to assassinate.
3. Match or exceed the City's control value with  from Agents in the City, and playing additional cards (only if needed). Remember that  from the card played to perform the action does not contribute with .
4. Take the corresponding Agent token and place it on the Crypt area of your dashboard.

## ◆ CLOSE OR OPEN A GATE ◆

1. Have an Agent present in a City without a Gate token.
2. Play a card from the corresponding Agent if they have  or  OR play a card that allows any Agent to  or .
3. Match or exceed the Gate value with  from Agents in the City, and playing additional cards (only if needed). Remember that  from the card played to perform the action does not contribute with .
4. Place your Control token on the Gate slot of that City on top of a Gate token from the general supply with the corresponding side up.
5. Perform a Sanity Test.

## ◆ SANITY TEST ◆

Whenever a card with  is claimed or when you close/open a Gate, perform a Sanity Test:

1. Draw 1 Sanity Test token from the bag.
2. Place the token drawn in the Sanity area of your dashboard.

A player with 3  is immediately driven to insanity and reveals their Allegiance card, if possible. If it's a Cultist card, play continues with the Allegiance card revealed. If it's an Investigator or Dissident card, the end of the game is triggered.
